

WEIGHT TREE

VST600-FW67

FOR LASTING DURABILITY & INCREDIBLE RESULTS

Complete your strength training offering with a weight tree that keeps your plates organized and easy to access. It's been tested to withstand hard use in tough environments, and our ultra-stable design is virtually low-maintenance.

- Angled weight storage horns position the heaviest weight plates farther from the ground for easier to removal and replacement
- Eight angled weight storage horns for Olympic plates
- Band holder offers convenient storage for multiple resistance bands
- Horn bumpers protect frame finish
