ZIVA®

THE WAY TO LIVE™

ZIVA® is an elite-performance sports and wellness brand. Distilled to its essence, our brand is driven by the peace of harmony and the joy of living, expressed most powerfully for us through sport, movement, and strength. This essential drive underpins our efforts to improve the physical and mental health of people all around the world.

This philosophy is reflected in our name. The “ZI” in ZIVA comes from the name of the founder of Daoism, an ancient Eastern religion that emphasizes harmony; living in accord with both the nature around you, and with your own nature; and cultivating an attitude of gratitude and happiness by following what it refers to as “The Way.” The “VA” in ZIVA is the second half of the Spanish word “viva,” which means to live fully, to strive with all your heart, and which is an exclamation proclaiming the absolute joy of life and all that it entails.

Our philosophy is embodied in our products. Their premium, progressive design is made to exist in beautiful, artful harmony with high-class gyms and modern homes while their rugged, high-performance functionality invites movement and energetic exertion.

And our philosophy is lived by every team member every day as we work in harmony with one another, joyously striving to bring holistic fitness to the world.

This is ZIVA and our WAY TO LIVE.

OUR STORY

The ZIVA® Journey began in 2008 in a single, out-of-the-way gym where from our earliest days, we sought to provide athletes and fitness enthusiasts with a transformational platform that could empower their fitness journey.

The things we practiced in the gym forged the values at the core of our company: innovation, inspiration, and precision. Our business has changed radically over the past decade and a half; we still have that out-of-the-way gym, but it's now part of the HQ of a global corporation where we coordinate design, manufacturing, marketing, and shipping of over 1,000 SKUs in over 80 markets.

Though we have grown, we will never outgrow the values we first formed in the gym. Today those values are expressed in our products with innovative solutions, inspirational designs, and precision manufacturing.

LUMINA LINE

The ZIVA® Lumina Line has been made especially for boutique hotels, premium Lumina centers, and design-conscious fitness and rehabilitation spaces—environments where aesthetics matter as much as performance. This collection brings understated elegance to functional fitness, blending premium Materials, muted tones, and refined design with commercial-grade durability. From high-end hospitality suites to luxury resort gyms, the ZIVA Lumina Line elevates workout spaces, offering sleek, sophisticated equipment crafted to complement its surroundings. This isn't just fitness gear—it's fitness equipment as an extension of thoughtful interior design.

Rooted in ZIVA's commitment to innovation, precision, and mindful movement, the Lumina Line reflects a holistic philosophy of fitness, supporting both physical strength and mental well-being. Soft textures, eco-conscious finishes, and functional versatility create an inviting experience for users at all fitness levels, encouraging movement that feels as natural as it is empowering. Whether enhancing hotel guest experiences, boutique studio environments, or private Lumina retreats, the ZIVA Lumina Line transforms any space into a haven of balanced strength, beauty, and renewal.

LUMINA CABLE STATION

The Lumina Cable Station brings nature-inspired design language of flowing lines and stone-grey finishes to high performance cable training. Smooth cable travel, easy handle adjustment, and a dedicated space to store every cable handle make this a piece with not only elevated aesthetics, but elevated capability, as well. It gives everyday cable work a refined look and feel fit for high-end hospitality gyms, luxury wellness clubs, and boutique fitness spaces where visual harmony matters as much as function. The Lumina Cable Station delivers versatile, intuitive movement in a form made for beautifully designed environments.

Order Code	Item Description
ZWO-PRCB-0262	Lumina Cable Station

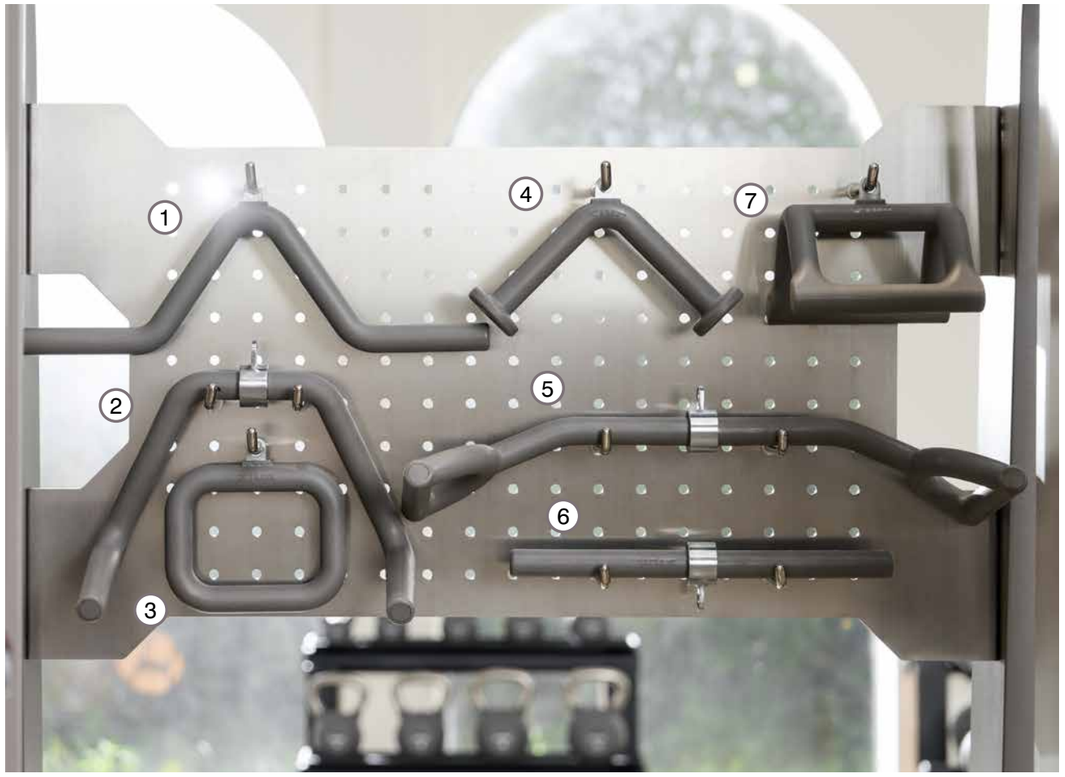

Specifications		Built with a 3 mm laser cut steel frame and finished in a durable powder coat, this configuration features a commercial grade cable and pulley system, zinc coated hardware, a 140 kg counterweight stack with 5 kg increments, precision cast plates, one pull up bar, and one stainless steel accessory storage plate. Designed with a 2:1 letdown ratio for smooth, controlled performance in demanding commercial environments.
Product Color		Warm Grey / White
Dimensions		L:135cm x W:161.5cm x H:239.5cm - 425kg
Warranty		Limited 10 year warranty on frames and welding, 1 year on plastic parts

LUMINA CABLE ATTACHMENTS

Lumina Cable Attachments are the best of the best for materials, construction, and design but their real strength lies in how light they are. These Cable Attachments do not weigh down the pulley and make the weight or handle height more difficult to adjust; they do not damage cable machines when they inevitably swing into them; and they do not hurt if and when users accidentally bonk themselves with them. And their skin with all around texturing adds the functional benefit of being super grippy, giving users greater endurance for greater gains.

LUMINA HALF RACK

The Lumina Half Rack reimagines a foundational strength training essential with the sculpted lines, stone-grey finish, and elevated presence that define Lumina. Beneath that refined exterior is the stable, open, highly dependable platform serious barbell work demands, complete with easily adjustable J-hooks and safety arms. It gives foundational lifting a premium visual identity suited to high-end hospitality gyms, luxury wellness clubs, and boutique fitness spaces where every detail shapes the experience. The Lumina Half Rack delivers confident strength training with a look designed for premium environments.

LUMINA SMITH MACHINE

With its flowing frame and signature stone-grey palette, the Lumina Smith Machine gives guided barbell training a more elevated expression. Its smooth, controlled bar path supports consistent movement and reliable repetition, helping users build confidence, refine technique, and train with assurance. The result is a piece that feels every bit as high-performing as it does high-design, ideal for premium hospitality gyms, luxury wellness clubs, and boutique fitness spaces. The Lumina Smith Machine makes approachable strength training feel beautifully considered.

Order Code	Item Description
ZWO-FSMT-6996	Lumina Smith Machine

Specifications		Built from commercial grade 3 mm steel tubing with precision laser cut and welded construction, this unit features thick stainless steel latch hooks and includes eight stainless steel storage pegs, one pair of J-cups and safety arms for durable, reliable performance in demanding training environments.
Product Color		Warm Grey
Dimensions		L:208cm x W:138cm x H:235.5cm - 224kg
Warranty		Limited 10 year warranty on frames and welding, 1 year on plastic parts

LUMINA POWER RACK

Strong, grounded, and visually refined, the Lumina Power Rack brings a new level of sophistication to serious lifting. Its fluid lines and stone-grey finish soften the traditional visual ruggedness of a power rack, while its robust construction delivers the same stability and confidence required for demanding, heavy barbell work. It is a natural fit for high-end hospitality gyms, luxury wellness clubs, and boutique fitness spaces that want to offer uncompromising strength capability without sacrificing aesthetic harmony. The Lumina Power Rack delivers heavy-duty performance in a distinctly elevated form.

Order Code	Item Description
ZWO-RKFL-7010	Lumina Power Rack

Specifications		Built from a 3 mm thick 75 x 75 mm steel frame with 24 mm zinc coated hardware, this unit features laser cut holes with 50 mm spacing and a clear numbering system for quick, precise adjustments. LUMINA URETHANE DUMBBELLS

A true embodiment of refined strength and enduring craftsmanship, the ZIVA® Lumina Urethane Dumbbells are designed for boutique fitness spaces and luxury training environments where both performance and aesthetics matter. Featuring scratch-resistant, stainless steel handles with precision-engineered knurling for a secure grip, these dumbbells offer a tactile experience that feels as premium as they perform. Their solid steel heads, encased in an ultra-durable UV-, corrosion-, and tear-resistant urethane, provide an understated elegance with a sleek, resilient finish and offers a slight, controlled bounce—delivering both floor protection and long-term durability without compromising on style. Timeless in design, impeccable in quality, the ZIVA Lumina Urethane Dumbbell is an elevated take on a strength training classic, seamlessly blending form, function, and finesse.

LUMINA URETHANE BARBELL AND EZ CURL BARBELL

Crafted for gyms that demand both performance and prestige, the ZIVA® Lumina Solid Steel Urethane Barbells and EZ Curl Barbells embody elegance in strength. Precision-forged from a single piece of solid steel, each barbell offers a seamless, unyielding structure designed to withstand the most rigorous training environments. The luxurious urethane coating not only protects against wear, UV exposure, and moisture but also maintains its pristine look over time. A scratch-resistant stainless steel finish, paired with expertly placed knurling, ensures a grip that feels as refined as it is functional. Designed to complement the entire Lumina Series, these barbells complete a cohesive, visually striking free-weight collection, transforming any training space into an environment where aesthetics and performance move as one.

LUMINA 10-PIECE BARBELL RACK

More than storage, the ZIVA® Lumina 10-Piece Barbell Rack is an architectural statement of strength and sophistication. Designed for gyms that value aesthetics as much as performance, its glass-filled grey nylon saddles cradle each barbell and EZ curl bar with careful precision, protecting knurling and finishes from wear. The curved, sculptural frame, accented with customizable grey panels, transforms organization into an art form—while its impact-resistant build and floor-protecting footpads ensure lasting durability. Seamless, striking, and built to perform, the Lumina Barbell Rack creates a refined training environment where order meets elegance.

LUMINA URETHANE GRIP DISC

Designed for elite training environments where performance meets aesthetics, the ZIVA® Lumina Urethane Grip Disc is a masterful blend of form and function. Precision-cast from premium steel and encased in an ultra-durable urethane coating, this grip disc is engineered to endure the rigors of high-performance training while maintaining a refined, modern elegance. Its ergonomic triple-handle design ensures effortless handling from any angle, while beveled edges provide both tactile elegance and practical grip. The sleek, minimalist numbering system offers immediate weight identification, reinforcing the disc's clean, sophisticated aesthetic. And beyond its visual appeal, the UV-, water-, and tear-resistant urethane coat extends the Disc's longevity, preserving it in pristine condition to lend its surrounding environment an unmistakably high-end air. A study in precision, durability, and understated luxury, the ZIVA Lumina Urethane Grip Disc is the perfect complement to high-end training spaces, elevating strength training to an art form.

LUMINA DISC STORAGE STATION

The ZIVA® Lumina Disc Storage Station is an organizational and design masterpiece that looks as much like a modern art piece as it does a piece of gym equipment. The Storage Station is crafted from thick steel plate scratch-resistant polished steel storage posts, and grey panels that can be customized with the most detailed logo and any Pantone color. Its economical use of floor space means it fits most anywhere but with its fashionable profile you may want it front and center.

LUMINA PREMIUM OLYMPIC BAR

The ZIVA® Lumina Premium Olympic Bar is the embodiment of elegance under pressure — a precision-engineered tool forged for the most demanding lifts and the most design-conscious spaces. Finished in a radiant rose-gold hue, this bar elevates the training floor to an experiential display of strength and style. With up to a staggering 907kg (2,000 lbs.) load capacity and ultra-smooth needle bearing rotation, it delivers peak performance with an air of grace. Crafted for Olympic lifters, power athletes, and luxury training environments, this bar is built to be as tough as it is beautiful. Its medium-depth knurl provides a confident grip without abrasiveness, while the rose-gold coating resists wear and adds a warm, modern brilliance to any gym setting.

ZIVA

LUMINA F-I-D BENCH

The ZIVA® Lumina F-I-D Bench redefines what an adjustable bench can be—blending precision engineering with a serene, design-conscious aesthetic. Featuring a full range of 7x backrest positions and 3x seat adjustments, this bench supports seamless transitions between incline, flat, and decline training, empowering users to explore a full spectrum of strength movements with effortless control. Thoughtfully crafted with a wider backrest for enhanced stability, and fitted with high-density cushions wrapped in double-stitched upholstery, the bench delivers both structural integrity and premium comfort. The Lumina edition trades chrome highlights for sophisticated wood-look paneling, offering a more refined aesthetic that seamlessly integrates into boutique wellness spaces and luxury training environments. Satin black steel tubing, protective floor pads, and subtle mobility features—including rear wheels and a cushioned aluminum handle—complete the bench's elevated profile, making moving it around the gym as graceful as it is at rest.

Order Code	Item Description
ZWO-XFID-6762	Lumina F-I-D Bench

LUMINA FLAT BENCH

Where strength meets serenity, the Lumina Flat Bench redefines what it means to train in style. Crafted for wellness studios, boutique gyms, and hotel fitness suites, this elegantly understated bench combines uncompromising functionality with refined, nature-inspired design. Its rich wood paneling accents and seamless, sculptural form make it more than a training tool—it's an invitation to elevate every session. Featuring a firm yet comfortable pad and double-stitched seams for lasting precision, this bench offers the perfect balance of support and softness—essential for exercises where alignment and control matter most. Built to support strength training with grace and grounded presence, the Lumina Flat Bench brings timeless ZIVA durability into harmony with elegant design sensibility.

LUMINA FUNCTIONAL BENCH (4-PAIR HEXAGONS)

A seamless fusion of sophisticated design and multi-functional performance, the ZIVA® Lumina Functional Bench redefines high-end training spaces, offering both elevated aesthetics and intelligent storage in one meticulously crafted unit. More than just a bench, this space-saving powerhouse discreetly accommodates up to 4x pairs of dumbbells, 2x kettlebells, and a selection of resistance bands and other fitness accessories, keeping the essentials within arm's reach while maintaining a clutter-free, refined gym environment. Designed for effortless adaptability, it transitions smoothly from a stable flat bench to an 80° incline with a single, fluid motion, offering versatility matched with elegance. Beyond its sleek profile, a reinforced handle at the foot of the bench doubles as an anchor point for resistance bands and battle ropes, expanding workout possibilities while ensuring maximum efficiency in boutique fitness settings. Thoughtfully finished with a thick, foam-cushioned bench and seat for superior comfort, and enhanced by built-in wheels for effortless mobility, every element of this bench is engineered for both luxury and performance.

LUMINA URETHANE STUDIO DUMBBELL SET 1-10KG

Designed for high-end, high-energy training environments, ZIVA® Lumina Urethane Studio Dumbbells bring a refined approach to functional strength and endurance workouts. Available in precise 1kg increments from 1-10kg, they are ideal for fast-paced, high-intensity circuits, dynamic warm-ups, and lightweight progressive resistance training. Every detail reflects premium craftsmanship and intelligent design—completely covered in the scratch-proof, UV-, corrosion-, and tear-resistant coat that gives the handle soft, easy-grip precision knurling and gives the solid steel heads exceptional longevity. A contemporary evolution of a strength training essential, the ZIVA Lumina Studio Urethane Dumbbell offers the perfect balance of durability, performance, and understated elegance—a true investment in quality and longevity for high-end fitness spaces.

LUMINA 1-10KG VERTICAL STUDIO DUMBBELL RACK

A refined fusion of form and function, the ZIVA® Lumina 1-10KG Vertical Dumbbell Rack is an essential statement piece for boutique fitness studios and luxury training spaces. Designed to elevate both aesthetics and practicality, this sleek vertical rack provides a secure, space-efficient home for 1-10kg round-head dumbbells, ensuring both effortless accessibility and pristine equipment preservation. Engineered for durability and impact absorption, its premium PU saddles cradle each dumbbell, safeguarding them from unnecessary wear even during the most intense training sessions. With its compact footprint and elegant silhouette, the ZIVA Lumina Vertical Dumbbell Rack's striking design make it worthy of a showcase position where its presence enhances the atmosphere as much as its function transforms organization. A masterclass in modern fitness storage, this rack redefines how luxury studios and boutique gyms display their commitment to both performance and aesthetics.

Order Code	Item Description

LUMINA URETHANE KETTLEBELL

A timeless tool, reimagined with precision, elegance, and innovation, the ZIVA® Lumina Urethane Kettlebell transforms full-body strength training into a seamless fusion of durability and design. Encased in an advanced scratch-, rust-, and corrosion-proof urethane coating, this kettlebell offers a softer landing than traditional cast iron, making it an ideal addition to boutique studios and refined training spaces. Its ultra-durable chrome grip, free from knurling, naturally challenges grip strength, encouraging enhanced control and endurance while maintaining a sleek, polished appearance. Designed for those who value both performance and aesthetics, the ZIVA Lumina Urethane Kettlebell is an elevated approach to functional training, delivering the perfect balance of resilience, refinement, and strength.

LUMINA KETTLEBELL RACK

A masterpiece of precision engineering and refined aesthetics, the ZIVA® Lumina Kettlebell Rack seamlessly combines heavy-duty durability with an elevated design, transforming kettlebell storage into a statement of sophistication. Built from solid plate steel and reinforced steel tubing, this rack is engineered to endure, finished in a scratch- and corrosion-resistant black powder coat that ensures longevity without compromising on style. Thoughtfully designed PVC-lined and -edged shelves cradle up to 10x kettlebells, preserving their pristine condition while presenting them with an air of understated elegance. Protective foot pads shield flooring, while chrome hardware provides the option for bolting—though, with an impressive 55kg frame, this rack is as secure as it is striking. More than just storage, the ZIVA Lumina Kettlebell Rack is a showcase of strength and design, redefining the way premium fitness spaces organize and display their equipment.

LUMINA WALL BALL

The ZIVA® Lumina Premium Wall Ball elevates every throw, catch, and slam with a refined outer finish that blends sophistication with rugged durability. Wrapped in an all-new faux leather texture — soft to the eye, unyielding to wear — this high-performance training staple now feels as good in hand as it looks in your studio. Inside, a fully rounded core enhances grip difficulty and rotational balance, providing a more dynamic training challenge that simulates the reactive demands of real-world sport. Designed for movement-focused spaces where aesthetics matter as much as results, the Lumina Wall Ball empowers full-body conditioning, explosive power development, and immersive functional flow.

Order Code	Item Description
ZWO-FTWB-6030	Lumina Wall Ball 2-8kg Set (4 Pieces)

Specifications		Made with premium textured PU leather outer casing and hard-wearing stitching

Increments		2kg increments
Warranty		Limited 1 year warranty

LUMINA POWER CORE BAG

The ZIVA® Lumina Power Core Bag brings the primal intensity of sandbag training into the aesthetic realm of modern movement spaces. Encased in a striking faux leather exterior with a smoother, more refined texture, this next-generation power bag is as visually compelling as it is physically demanding. Reinforced stitching along every seam ensures rugged durability, while an array of ergonomic handles invites a wide range of dynamic, twisting, swinging, and lifting movements — from loaded carries to explosive rotational slams. Designed for athletes who crave functional freedom, and for studios that embrace elevated minimalism, the Lumina Power Core Bag is a sculpted tool for sculpting bodies.

Order Code	Item Description

LUMINA 3-IN-1 PLYO BOX

The ZIVA® Lumina 3-in-1 Plyo Box redefines dynamic training through a design-forward lens. Wrapped in a premium faux leather finish that mimics the tactile warmth of natural material, this versatile box offers three training heights — 20”, 24”, and 30” — in a single, sculptural unit. Beneath its refined exterior lies a high-performance foundation: impact-absorbing PU foam encasing a durable wood core, engineered for both stability and joint-friendly landings. Whether used for explosive power drills, stamina-building step-ups, or rehabilitative progressions, the Lumina Plyo Box delivers sophistication in motion — beautifully at home in boutique studios, hotel gyms, and design-conscious functional spaces.

LUMINA RESISTANCE TUBE WITH SAFETY SLEEVE

The ZIVA® Lumina Resistance Tubes with Safety Sleeves offer a graceful, low-impact approach to strength training, ideal for boutique wellness environments, luxury retreats, and elegant home spaces. With progressive resistance that increases naturally through each movement, these tubes invite users to explore full-body training that feels fluid, supportive, and quietly powerful. Lightweight, compact, and crafted for serene versatility, each band is encased in a soft, protective sleeve for added comfort and durability. Whether anchored by the body or a nearby support, the Lumina Resistance Tubes empower thoughtful movement—from gentle rehabilitation and mobility flows to focused strength and sculpting routines. Elevated in design. Effortless in use. Essential for any modern movement practice.

LUMINA BALANCE BALL

Crafted for premium hospitality Lumina centers, the ZIVA® Lumina Balance Ball offers a refined approach to core training, balance work, and full-body stabilization and fine motor development. Designed to enhance posture, strengthen stabilizer muscles, and support low-impact functional movement, this essential tool empowers guests to restore balance and build strength with ease and elegance. Engineered with durable, long-lasting PVC for the ball surface and a reinforced PP platform with precision-edged detailing, this balance trainer delivers commercial-grade stability and performance. Ideal for stress-reducing, joint-friendly exercises, it supports fluid, controlled movement, helping users maintain alignment and strength throughout the musculoskeletal system. Finished in a sophisticated grey and black colorway, the ZIVA Lumina Balance Ball seamlessly integrates into luxury fitness spaces, complementing the understated elegance of high-end Lumina environments while offering guests a thoughtful, intuitive way to stay strong and centered.

LUMINA FOAM ROLLER

A cornerstone of muscle recovery and functional movement, the ZIVA® Lumina Foam Roller brings premium craftsmanship and targeted relief to high-end hospitality Lumina spaces. Designed to enhance joint mobility, release muscle tension, and promote deep recovery, this essential tool supports guests and athletes alike in restoring balance, flexibility, and ease of movement. Engineered with high-durability, commercial-grade molded PVC, its firm foam knobs provide a deep, therapeutic massage, effectively targeting pressure points and alleviating soreness, whether after a workout, a long journey, or a high-stakes meeting. Lightweight yet robust, this foam roller is as practical as it is elegant, offering a seamless blend of form, function, and lasting resilience. Perfect for self-massage therapy, physical rehabilitation, or advanced yoga techniques, the ZIVA Lumina Foam Roller is an essential companion for recovery and relaxation, allowing guests to reset, realign, and move freely—wherever their journey takes them.

LUMINA DELUXE JUMP ROPE

The ZIVA® Lumina Jump Rope is the modern embodiment of movement made beautiful. This is cardio reimagined for elegance, intention, and flow. Crafted for mindful motion, this jump rope pairs a supple cowhide rope with warm, natural-grain wooden handles capped in precision-engineered aluminum. Heavier than a traditional speed rope, its weight invites a steadier, more deliberate rhythm—perfect for breath-linked workouts, warm-ups, and endurance sequences that elevate both heart rate and state of mind. Used in the sophistication of a boutique wellness space, the Lumina Jump Rope offers cardio with calm and strength with style.
